Keep On Walking chord

Passenger \*

**E**

Last night I couldnâ€™t sleep

**A**

I got up and started walking

**E**

Down to the end of my street

**B**

And on into town

**E**

Where I had no one to meet

**A**

**Am**

And I had no taste for talking

**E**

Seems Iâ€™m talking my whole life

**B**

**E**

Itâ€™s time I listened now

**E**

Well, I walked past the late night boys

**A**

With their bottles in their doorways

**E**

And I walked past the business men

**B**

Sleeping like babies in their cars

**E**

And I thought to myself for some

**A Am**

You may be lost in more ways than one

**E**

But Iâ€™ve a feeling that itâ€™s more fun

**B**

**E**

Then knowing exactly where you are

**E**

**A**

And like a storm

**E**

Carried on the river

**A**

And like a boat

**B**

Sailing on the sea

**E**

And I keep on walking

**A Am**

Oh, I keep on walking

**E**

**A**

**Am**

Till I find that old love or that old love

**B**

**E**

Comes to find me

**E**

I walked into the morning

**A**

Felt the warm sunlight forming on my shoulders

**E**

Cause it hit me with no warning

Like a summer sky a storming

**B**

In my lungs

**E**

Ain't it funny how the kids walk by

**A Am**

Doing anything to make themselves look older

**E**

While the women spend their money on

**B**

**E**

Anything that makes them look young

**E**

**A**

And like a storm

**E**

Carried on the river

**A**

And like a boat

**B**

Sailing on the sea

**E**

And I keep on walking

**A Am**

Oh, I keep on walking

**E**

**A**

**Am**

Till I find that old love or that old love

**B**

**E**

Comes to find me

**E**

**A**

Oh, Lord Lord

**E**

Oh, Lord Lord

**A**

Oh, Lord Lord

**B**

Oh, Lord Lord

**E**            **A**

And like a storm

**E**

Carried on the river

**A**

And like a boat

**B**

Sailing on the sea

**E**

And I keep on walking

**A**        **Am**

Oh, I keep on walking

**E**

**A**

Till I find that old love or that old love

**B**        **E**

Comes to find me

**E**

**A**

Till I find that old love or that old love

**B**        **E**

Comes to find me
