You should hear what I'm saying and know what it means to sing

**G**  
now every curtain twitching, suburban is scared of every man that's wearing a  
turban  
**C**  
you see, the unknown breeds fear, and fear breeds hatred  
**F**  
and hatred is everything that darkness created

**Am** **C/G**  
when it came in the night, and it strangled the hope  
**F** **G**  
so letâ€™s open the windows and turn on the light
