

Stolen Toys

Passenger

This amazing song has a lot of passengerish hammer-ons.

CAPO IV

C **F**
Well the summer s turning still
G **C**
watching the fireflies drown
C **F**
Set fire to the sails
G **C**
Just to watch the boat go down

F **G**
Well, eyes tell thousand tales
C **F**
Chasing my own one around
Dm **G**
Coffin with a thousand nails
C
And we hammer this last one down

G **C**
My heart full of silent fears

G **C**
And a life full of wasted years

F **G**
Well if eyes cry thousand tears
C **F**
Do they ever run dry?

And never even known why
