[Intro]

**G D C**  
ddududdu ddu dd  
**G D C (x2)**

[Verse]

**G D C**  
Well we ll kiss for that s how it begins  
**G D C**  
We ll embrace just to warm our skins  
**Em D C G C G**  
I ll think of her and you ll think of him  
**G D C**  
And we ll talk to keep the silence from our ears  
**G D C**  
And we ll laugh because we re so close to tears  
**Em D C G C G**  
We re just lonely, you know, that s why we re here  
**Em C G**  
Cos you don t taste like you should  
**Em C D**  
And you don t fit in my arms like she would  
**Em C D**  
Lying in the dark, it s understood  
**Em C D**  
We are both lost  
**G C G**  
And we won t be found  
**G D C**  
We will wake up with each other in our pores  
**G D C**  
You cover over white bits like I ve not seen them before  
**Em D C**  
We ll say goodbye and then we ll say no more  
**Em C G**
