[Intro] **Bb F C Dm**

Bb **F**
When I was a kid the things i did were hidden under the grid
C **Dm**
Young and naive, i never believed that love could be so well hid
Bb **F**
With regret I m willing to bet they say the older you get
C **Dm**
It gets harder to forgive and harder to forget
Bb **F**
It gets under your shirt like a dagger at work
C **Dm**
The first cut is the deepest but the rest still flippin hurt
Bb **F**
You build your heart of plastic, you re cynical and sarcastic
C
and end up in the corner on your own

Bb **F**
Cos I d love to feel love, but I can t stand the rejection
C **Dm**
I hide behind my jokes as a form of protection
Bb **F**
I thought i was close, but under further inspection
C **Dm**
It seems I ve been running, in the wrong direction

Bb(mute) **F(mute)**
So what s the point in getting your hopes up, when all you re ever getting is
choked up?

C(mute) **Dm(mute)**
When you re choked up, and can t remember the reason why you broke up
Bb(mute) **F(mute)**
You ll call her in the morning when you re coming down and falling
C(ring)

Like an old man on the side of the road

Bb
When you re apart, you don t wanna mingle
F

When you're together you wanna be single

C

Ever the chase to taste the kiss of bliss that made your heart tingle

Bb

How much greener the grass is

Through those rose tinted glasses

And the butterflies that flutter by and leave us on our asses

Cos I'd love to feel love, but I can't stand the rejection
