**A**

**E**

When I was a kid the things i did were hidden under the grid

**B**

**C#m**

Young and naive, i never believed that love could be so well hid

**A**

**E**

With regret I m willing to bet they say the older you get

**B**

**C#m**

It gets harder to forgive and harder to forget

**A**

**E**

It gets under your shirt like a dagger at work

**B**

**C#m**

The first cut is the deepest but the rest still flippin hurt

**A**

**E**

You build your heart of plastic, you re cynical and sarcastic

**B**

and end up in the corner on your own

**A**

**E**

Cos I d love to feel love, but I can t stand the rejection

**B**

**C#m**

I hide behind my jokes as a form of protection

**A**

**E**

I thought i was close, but under further inspection

**B**

**C#m**

It seems I ve been running, in the wrong direction

**A E B C#m**

**A E B C#m**

**A(mute)**

**E(mute)**

So what s the point in getting your hopes up, when all you re ever getting is  
choked up?

**B(mute)**

**C#m(mute)**

When you re choked up, and can t remember the reason why you broke up

**A(mute)**

**E(mute)**

You ll call her in the morning when you re coming down and falling

**B(ring)**

Like an old man on the side of the road

**A**

When you re apart, you don t wanna mingle

**E**

When you re together you wanna be single

**B**

**C#m**

Ever the chase to taste the kiss of bliss that made your heart tingle

**A**

How much greener the grass is

**E**

Through those rose tinted glasses

**B(ring)**

And the butterflies that flutter by and leave us on our asses

**A**

**E**

Cos I d love to feel love, but I can t stand the rejection

**B**

**C#m**

I hide behind my jokes as a form of protection

**A**

**E**

I thought i was close, but under further inspection

**B**

**C#m**

It seems I ve been running, in the wrong direction

**E**

**E**

There s fish in the sea for me to make a selection

**B**

**C#m**

I d jump in, if it wasn t for my ear infection

**A**

**E**

Cos all I wanna do was try to make a connection

**B**

**C#m**

But it seems I ve been running in the wrong direction

**A E B C#m**
