[Intro] **C G D Em**

C G D Em

C **G**
When I was a kid the things i did were hidden under the grid
D **Em**
Young and naive, i never believed that love could be so well hid
C **G**
With regret I m willing to bet they say the older you get
D **Em**
It gets harder to forgive and harder to forget
C **G**
It gets under your shirt like a dagger at work
D **Em**
The first cut is the deepest but the rest still flippin hurt
C **G**
You build your heart of plastic, you re cynical and sarcastic
D
and end up in the corner on your own

C **G**
Cos I d love to feel love, but I can t stand the rejection
D **Em**
I hide behind my jokes as a form of protection
C **G**
I thought i was close, but under further inspection
D **Em**
It seems I ve been running, in the wrong direction

C(mute) **G(mute)**
So what s the point in getting your hopes up, when all you re ever getting is
choked up?

D(mute) **Em(mute)**
When you re choked up, and can t remember the reason why you broke up
C(mute) **G(mute)**
You ll call her in the morning when you re coming down and falling
D(ring)
Like an old man on the side of the road

C
When you re apart, you don t wanna mingle
G

When you re together you wanna be single

How much greener the grass is

Through those rose tinted glasses
