From: PAUL PAPLINSKI
Subject: MISS SARAJEVO (U2, Eno, Pavarotti)

This is my first internet tabulature transcription, but I have to give Guy Bouchard the credit for figuring out the chords. I recently got the Passengers MISS SARAJEVO single, so I decided to fill in the words and add a few chords at the same time. I had to admit, I had some problems of figuring out some of the lyrics, so there maybe some mistakes. Corrections? If so, don t hesitate to email me (paplins@ecf.toronto.edu).

I m quite anxious for the new U2 CD to come out this summer, and hopefully U2 will tour this summer (I ll be there, of course). Anyhow, here s the song, and like Guy mentioned before, this song IS deep.
