I ve got sense to hold in
C **F** **Am** **G**
Tempted just to make an ugly scene
C **F**
No I m not as proper
C **G**
My money s in copper
C **F** **Am** **G**
Ripped down from the brownstones to the street
C **F**
Listen, I m your friend, don t quote me
C **G**
But not a friend worth noting
C **F** **Am** **G**
Yes, please don t ever note me as your friend
C **F**
Who says we have cold hearts?
C **G**
Acting out our old parts
C **F** **Am** **G**
Let s perform my favorite little scene, oh oh oh oh

[Hook]

I get carried away, carried away, from you

Cause I m sorry, sorry bout that
G **C** **F**
Sorry bout things that I ve said

Always let it get to my head

[Verse 2]

C **F** **C** **G**
All your appeal, once again with feeling
C **F** **Am** **G**
Higher education making sense
C **F** **C** **G**
Justify your thesis, certain that you need this
C **F** **Am** **G**
Tell me what your point is in defense
C **F**
Listen, I don't really know you
C **G**
And I don't think I want to
C **F** **Am** **G**
But I think I can fake it if you can
C **F** **C** **G**
Let's agree there's no need, no more talk of money
C **F** **Am** **G**
Let's just keep pretending to be friends, oh oh oh

[Hook]

C **F** **C** **G** **C**
I get carried away, carried away, from you
F **Am** **G**
When I'm open and afraid
C **F** **C**
Cause I'm sorry, sorry about that
G **C** **F**
Sorry about things that I've said
Am **G**
Always let it get to my head
[x2]

[Bridge]

G **F** **C** **G**
Wake up in the morning, wake up in the evening
C **F**
Wake up when you want to
G **F**
Cause no one's really watching
C **F** **Am**
Well she'll have something to say about it
C **F**
But we all have problems
C **G** **F**
We're all having problems
C **F** **Am** **G**
And we all got something to say

[Hook]

C **F** **C** **G** **C**
I get carried away, carried away, from you
F **Am** **G**
When I m open and afraid
C **F** **C**
Cause I m sorry, sorry bout that
G **C** **F**
Sorry bout things that I ve said
Am **G**
Always let it get to my head
[x2]
