Dm

C

Have you seen me cry

G

Gm

Tears like diamonds?

Dm

C

Down and down they fly,

G

Gm

Faster and faster

Dm

Like the speed of our love

C

G

Gm

But a homerun crack at love

F

Dm

C

I know love's what I need to work at.

F C F C

F

So now the two of us, we lie on each other

C

With our premonitions out in the gutter

F

C

Who would have thought that I'd make it this far?

F

I make it seem like I'm stronger but I'm quite the ante

C

And now I'm so caught up I can't escape this pattern

F

C

But when I started losing hope, there you were, there you bloomed
