

Little Secrets
Passion Pit

This is not in the same key, but I really like the way this sounds. It is not meant to be a direct replication of the original.

Capo 2

Verse:

C **F**
When I came down the sun poured into me
C **F**
I shook em up, the walls came crumbling
C **F**
my fists kept trembling with these salty wounds
C **F**
my stolen gold inside the emperors tomb
C **F**
now baby wait looks like a lovely face
C **F**
I built this cardboard neighborhoods disgrace
C **F**
who let it said that you re my favorite sphere
C **F**
within the confines of such chemistry

Pre-Chorus:

C **Am**
It s the way I see everything I need
F **Am**
It s the way to be

Chorus:

C
Let this be our little secrets
F
No one needs to know were feeling
Am
Higher and higher and higher
F
Higher and higher and higher
C
But I feel alive and I feel it in me
F
Up and up I keep on coming
Am
higher and higher and higher
F
higher and higher and higher

Verse:

C **F**
My face blew up at such a casual sight
C **F**
this miracle is of ecstatic fright
C **F**
they ll rush above me to oblivion
C **F**
outlining white sidewalks with halogen
C **F**
oh have you ever felt so god damn strong
C **F**
how come it takes some people so damn long
C **F**
he tried to squeeze the lemon juice to rain
C **F**
the citrus drawing out the seasons stains

Pre-Chorus:

C
Watch the basin drain
Am
as your life lines wane
F
and you cant explain
Am
as your friends complain
C
you ve caused all this pain
Am
and you proudly shame
F **Am**
your whole families name

Chorus:

C
Let this be our little secrets
F
No one needs to know were feeling
Am
Higher and higher and higher
F
Higher and higher and higher
C
But I feel alive and I feel it in me
F
Up and up I keep on coming
Am
higher and higher and higher
F
higher and higher and higher

Verse:

C F

Mother i can tell what you ve been thinking

C F

staring at the stars on your ceiling

C F

thinking once there was a power that you were wielding

C F

and now ive hit the mark

C F

staring at the dark

C F

and i cannot help but ignore

C F

the people staring at my scars

Chorus:

C

Let this be our little secrets

F

No one needs to know were feeling

Am

Higher and higher and higher

F

Higher and higher and higher

C

But I feel alive and I feel it in me

F

Up and up I keep on coming

Am

higher and higher and higher

F

higher and higher and higher

(repeat)
