

Love Is Greed
Passion Pit

Great song, really simple chord progression with nice walking bass line. The A-chord in the first line is more of a leading note to the Bm.

You want a love, a love for us
A
You want a selfless love
G **D/F#**
That we can always say we trust, oh
Em **D/F#** **G**
Love has always been a mockery
Em **D/F#** **G** **A**
of those in love and scared to be lonely

D **D/F#** **G** **A** **Bm**
Dont wanna lo----ve, dont wanna hurt
A **G**

D/F#
Just anothers comfort
Em **D/F#** **G**
Better off being a lonely road
Em **D/F#** **G** **A**
Cause theres beauty in being alone

G **A**
Today were arguing, its not worth making

Its almost taking me
