

Seaweed Song
Passion Pit

G **Am** **C**
Some day you ll see
G
Surrounded by angels
Am **C**
Floating atop of the sea
G **Am** **C**
Abandon me
G
Don t go where they go
Am **C**
Don t sing all the songs they

Am **C** **G**
Nobody knows you the way you know you
D
But I think I do
Am **C** **G**
But I thought I knew
D
Yeah, I thought I knew
Am **C** **G**
Nobody knows you the way you know you
D
But I think I do
Am **C** **G**
But I thought I knew
D
Yeah, I thought I knew

G **Am** **C**
Between these walls
G **Am** **C**
Her back, strange glimpse, casts shadows frighteningly tall
G **Am** **C**
I slow to a crawl
G **Am** **C**
I jump and I yell but she hears nothing at all

Am **C** **G**
Nobody knows you the way you know you
D
But I think I do
Am **C** **G**
But I thought I knew
D
Yeah, I thought I knew
