Intro (Pt. 2): Dm F Am G (2x)
                                Am
We dug these holes we crawled into now they re my home
           F
                           Am
Now here I cannot feel the wind, cant feel the rain or cold
And I believe in gentle harmony
Am
Well how I loathe all this obscenity!
Dm
Is this the way my life has got to be?
Am
Have I a single opportunity?
Refrão:
Fmaj7
Look at me Oh look at me is this the way I ll always be
Cmaj7
Oh No, Oh No
Fmaj7
Now I pray that somebody will swiftly come and kidnap me
Cmaj7
Oh No, Oh No
Fmaj7
Everyday I lie awake and pray to god today s the day
Cmaj7
Oh No, Oh No
Fmaj7
But Here I am Oh here I am Oh when will someone understand?
Cmaj7
Oh No, Oh No
(Dm F Am G)
Dm
                           Am
And all at once I feel this, Oh how it clings to me
                              Am
It reels and calls me towards some confounding destiny
And I can feel the madness inch by inch
Am
The more I run the more I am convinced
