Iâ€™ve spent so many years stuck in my head
Esus4 F#m
Couldnâ€™t see past myself
Bm7 A/C# D
And all this time you were right here in front of me

A part of me
Esus4 A
Inside of me
Bm7 A/C# D
And patiently you spoke to me
Esus4
And you set me free
F#m Bm7 A/C# D
So naturally Iâ€™m living from my heart
Esus4 A
Iâ€™m living from my heart
Bm7
This is just the beginning
A/C# D
This is just the beginning Ohh
Esus4 F#m
This is just the beginning
Bm7 A/C# D
Of a new way of living with you
Esus4
With you
