

All Or Nothing

All or Nothing by Pat Byrne

Nobody else seems to have this song done so I decided to do it myself, apologies if anything is wrong, I've never done this before.

Capo 1st fret

Am **C** **Cmaj7** **Dsus4(add9)**

Am **C**
Bright lights, close your eyes
Cmaj7 **Dsus4(add9)**
You say a prayer as you roll that dice
Am **C**
You step up to the edge
Cmaj7 **Dsus4(add9)**
You don't jump and never see what's next

Am **C**
No such thing as perfect timing
Cmaj7 **Dsus4(add9)**
If you wanna get hit by the lightning
Am **C**
Oh who knows what you get

Living life like it's a Russian roulette

F **Dm**
I'm giving you all or nothing
Am **G**
cause I don't believe in holding back
F **Dm**
Reaching inside for something
Am **G**
All or nothing, all or nothing
F **Dm** **Am**
Oh oh oh oh oh oh ...
G
All or nothing

Am **C** **Cmaj7** **Dsus4(add9)**
Dig deep, dive in, you don't know if you sink or swim
Am **C** **Cmaj7** **Dsus4(add9)**
Get burnt, you get hurt, you get to find what is really worth
Am **C**
I could be a saint or a sinner
Cmaj7 **Dsus4(add9)**

I could be a loser or a winner, oh

Am **C**

Green lights turn red, it s now or never

F **Dm**

I m giving you all or nothing

Am **G**

F **Dm**

Reaching inside for something

All or nothing
