

Dont Let Us Get Sick
Pat Guadagno

Pat plays it in E - so capo on 4th fret for this to work.

C **Am**
Don t let us get sick
F **C**
Don t let us get old
C **Am** **G**
Don t let us get stupid, all right?
F **C**
Just make us be brave
G **Am**
And make us play nice
F **G** **C**
And let us be together tonight

C **Am**
The sky was on fire
F **C**
When I walked to the mill
C **Am** **G**
To take up the slack in the line
F **C**
I thought of my friends
G **Am**
And the troubles they ve had
F **G** **C**
To keep me from thinking of mine

C **Am**
Don t let us get sick
F **C**
Don t let us get old
C **Am** **G**
Don t let us get stupid, all right?
F **C**
Just make us be brave
G **Am**
And make us play nice
F **G** **C**
And let us be together tonight

C **Am**
The moon has a face
F **C**

And it smiles on the lake

C **Am** **G**

And causes the ripples in Time

F **C**

I m lucky to be here

G **Am**

With someone I like

F **G** **C**

Who maketh my spirit to shine

C **Am**

Don t let us get sick

F **C**

Don t let us get old

C **Am** **G**

Don t let us get stupid, all right?

F **C**

Just make us be brave

G **Am**

And make us play nice

F **G** **C**

And let us be together tonight
