[Verse]

**G9**

Trying to keep my eyes from closing

**Bm**

driving back to our house hoping

**G9**

hoping that I ll see your car, maybe your face

**Bm**

this must have been a mistake

**G9**

white lines flying by from the headlights

**Bm**

disappear like you did from my life

**G9**

If I know you right now

**Asus2**

you re holding on somehow

**Em**

**G G9**

**Asus2**

**Em**

Satellite, a million miles above my head

**G**

**G9**

**Asus2**

**Em**

you re breaking up, from the static on the line and in my head

**G**

**C#**

**D2**

**G**

**Asus2**

you re fading out, baby I could do without being alone

**D G A**

so could you come back home

**D G A2**

could you come back home

**G9**

so this is home you say

**Bm**

without you I cannot lay in this bed

**G9**

here come those tears again

**Bm**

are they ever gonna end

**G9**

got your voice, got your voice stuck in my head

**Bm**

**Asus2**

haunted by everything that you said, you said

**Em**

**G G9**

**Asus2**
