She got the kinda strength that every man wishes he had.
She loved Michael Jackson up until he made Bad.

Tells me that she lives about a hundred lives,
Scares me to death when she thinks and drives,
Says cowboy hats make her look fat,
and I m so glad she s mine.

Her eyes, that s where hope lies.
That s where blue skies
Meet the sunrise.
Her eyes, that s where I go
When I go home.

Her eyes, that s where hope lies.
