The Nectar of God--Pat Sky

...D.....
It s a dirty old world it ll make a man cry
.....C.....
All the do-nothings live....God almighty now
.....D... {C G C D}
And the good people die

When I left home my mother said son
Go into the world...God almighty now
But don t you go wrong

So here I sit in a world without pain
While the nectar of God.....God almighty now
Flows through my veins

D.....C.....D...
** Late in the evening, Early in the Fall
.....C.....D.....
The mist on Dog Mountain hangs low
.....C.....
And the voice of my mother
.....D.....
Rides in on the down wind
.....C.....D... {D C G D}
Sayin son, Don t stay too long

The green leaves of Autumn they fall from the floor
And the inside is outside...God almighty now
And I can t find the door

Well you ask what s the blues, I ll tell ya if I can
It s a ten dollar women...God almighty now
And a five dollar man

Got the blues in my coffee got the blues in my head
If I die in the gutter....God almighty now
At least I d be dead

I don t much like livin but I don t wanna die
Cuz if I was dead....God almighty now
I d miss gettin high
