Well I give up understanding  
It s against my will  
Time s pushing me away from the pop  
Cause I feel like a robber  
And I look like a cop  
Boogie woogie mother fucker  
This here music can t stop

In my life I try and I try

**E**

It s time to make my mind

Live or die  
What I m asking you  
At the end of my pray  
God give me just to be friendly  
Been trying to calculate my fate  
Been trying to meet you -Solo: (Dm C Bb A
