[Verse 1]

Am	G	F	C
I wrote this letter in my head			
Am	G	F	C
I was too spaced out for you to reach me			
Am	G	F	C
I use to teach you not you teach me			
Am	G	F	C
I never thought that you were gonna realized			
Am	G	F	C
what you had inside it s now a well surprise			
Am	G	F	C
I say my head is in the clouds			
Am	G	F	C
I say my head is in the clouds but not to be precised.			

[Chorus]

Am	G	F	C
The world is turning on			
Am	G	F	C
and some things are			
Am	G	F	C
just the way they are, they are			
Am	G	F	C
The world is turning on			
Am	G	F	C
and some things are			
Am	G	F	C
just the way they, just the way they are.			

[Verse 2]

I take the best words that come to my mind
the nicest melody that I can find
I write the greatest song that I can write

[Chorus]

Am	G	F	C
The world is turning on			

Am **G** **F** **C**

and some things are

Am **G** **F** **C**

just the way they are, they are

Am **G** **F** **C**

The world is turning on

Am **G** **F** **C**

and some things are

Am **G** **F** **C**

just the way they, just the way they are.
