

No Excuse
Patrice

Hey there, this is my first tab, but I think it sounds pretty good that way.

I structured this song in three parts:

1. Intro and verse: G F (listen to the song to figure out the rhythm)

Intro: play four times G F

G

Them ah chat like them bad

F

But them don t know what them do

G

All of them flex like idiot

F

Them must be mad, them must be fool

G

There s so much them forgot

F

When them type of people there pass through

I just say...stupidness is no excuse

2. Chorus (same rhythm as verse): C(sounds better when played as barre) Bb

C

Bb

Enough men ah gawn like them are bad man, bad man

C

Bb

But badness nah go pay

C

Bb

It can pay your rent today and tomorrow but

C

Bb

What about the end of the day?

C

Bb

Others ah gawn like them are big man, big man

C

Bb

And suck out the blood of the poor

3. End of chorus (still the same rhythm)

Sry I don t quite know how these chords are called, I just figured them out by listening

the song so I will tab them this way.

First one is again C

I will call the following ones 2, 3, 4, because I don t know them...I hope you don t mind...

So then it goes:

	2:	3:	4:
e	5--5	6--6	8--8
B	5--5	6--6	8--8
G	7--7	8--8	10-10
D	7--7	8--8	10-10
A	5--5	6--6	8--8
E	5--5	6--6	8--8

That s they way it s supposed to be played:

C
 But allmighty JahJah
 2
 I see everything
 3
 So there s no need to be fake
 4
 Cause your judgement you can t escape

Chorus again...and so on...

I hope you enjoy this great song!
