## Past Poisons Patrick Park

This song has been stuck in my head lately and there were no tabs so I figured out the chords.

He tunes his guitar a half step down and uses a capo on the 1st fret. This is adapted so you DON T need a capo

Tabbed by Greemur

Am C G

I pull up your drive and I lay on the horn.

Am C G

Cling to the bottle that  $\mathbf{\hat{a}} \in \mathbb{M}$  s keeping me warm.

Am C G Am C G

Sweet whiskey Jesus I wish I werenâ $\in$ <sup>m</sup>t born.

Am C G

You get up to leave and you hear in the dark,

Am C G

Those early evening arrows missing their mark.

Am C G Am C G

 $\hat{a}$ €~Cause they $\hat{a}$ €™re out to get you, but they don $\hat{a}$ €™t have the heart.

Dm F

You're just another one of last summer's dreams,

G Bb F

Your eyes are blue, and your seas are green.

Dm F

Some small consolation you get for a while

G Bb Dm A

So drink down your sorrows and their crooked ass smiles Ohhhh

 ${\tt Dm} \qquad {\tt F} \qquad {\tt Gm} \qquad {\tt Bb}$ 

If you want me you know where I'll be

Om F Gm Bb

Putting past poisons gently to sleep.

Dm F Gm Bb

If you want me you know where  $\hat{a} \in \mathbb{I}$  be.

Dm F Gm Bb

Putting past poisons gently to sleep.

Am C G

There's a fire inside that makes your blood run.

Am C G

The lovers who love you smell your smoke from your gun.

You keep your confusion to your hell made for one.
