

Something Pretty

Patrick Park

I couldn't find the tabs/chords to this song anywhere, so I decided to try to do it myself. The chords sound great and the ladies love it; however, any corrections or additions are welcomed. fiji_nine@hotmail.com (Ross Linscott)

Patrick Park - Something Pretty
(from the O.C. Mix 2)

C **G**
Here I am, where I've been
Am **F**
I've walked a hundred miles in tobacco skin
F **G** **Am**
And my clothes are worn and gritty
F **G** **Am**
And I know ugliness
C **G** **Am**
Now show me something pretty

C **G**
I was a dumb punk kid with nothing to lose
Am **F**
And too much weight for walking shoes
F **G** **Am**
I could have died from being boring
F **G** **Am**
As for loneliness
C **G** **Am**
She greets me every morning

CHORUS(x2):

C **G**
At the most I'm a glare
Am **F**
I'm the hopeless son who's hardly there
Am **F**
I'm the open sign that's always busted
C **G**
I'm the friend you need, but can't be trusted

C **G**
Here I am, where I've been
Am **F**
I've walked a hundred miles in tobacco skin

F **G** **Am**

And my clothes are worn and gritty

F **G** **Am**

And I know ugliness

C **G** **Am**

Now show me something pretty

CHORUS (x2)
