Intro:

**G D Am C** (x2)

**G D**  
Well I remember back when I was young  
**Am C**  
And king of all my days  
**G D**  
How I never used to worry about a thing  
**Am C**  
But time it turns the page  
**Am Em**  
Cause now my head is set to spin  
**F C**  
And my worries start where my worries end

Chorus:

**Em C G**  
**D**  
And everyone s making me promises that burn like city lights  
**Em C G D**  
But I d trade every single one of them for a starry night  
**Em C**  
Where my mind don t race like a spoiled child  
**G D**  
And I feel the warm wind blow  
**C Am Em**  
Rolling down some dark highway  
**F C G D Am C**  
Far far away from this big show.
