Intro:

**G# Eb Bbm C# (x2)**

**G# Eb**  
Well I remember back when I was young  
**Bbm C#**  
And king of all my days  
**G# Eb**  
How I never used to worry about a thing  
**Bbm C#**  
But time it turns the page  
**Bbm Fm**  
Cause now my head is set to spin  
**F# C#**  
And my worries start where my worries end

Chorus:

**Fm C# G#**  
**Eb**  
And everyone s making me promises that burn like city lights  
**Fm C# G# Eb**  
But I d trade every single one of them for a starry night  
**Fm C#**  
Where my mind don t race like a spoiled child  
**G# Eb**  
And I feel the warm wind blow  
**C# Bbm Fm**  
Rolling down some dark highway  
**F# C# G# Eb Bbm C#**  
Far far away from this big show.

**G# Eb Bbm C#**

Until you make the same mistakes time and time again.
