Intro:

**F# C# G#m B (x2)**

**F# C#**  
Well I remember back when I was young  
**G#m B**  
And king of all my days  
**F# C#**  
How I never used to worry about a thing  
**G#m B**  
But time it turns the page  
**G#m Ebm**  
Cause now my head is set to spin  
**E B**  
And my worries start where my worries end

Chorus:

**Ebm B F#**  
**C#**  
And everyone s making me promises that burn like city lights  
**Ebm B F# C#**  
But I d trade every single one of them for a starry night  
**Ebm B**  
Where my mind don t race like a spoiled child  
**F# C#**  
And I feel the warm wind blow  
**B G#m Ebm**  
Rolling down some dark highway  
**E B F# C# G#m B**  
Far far away from this big show.

**F# C# G#m B**

It s always things you think you want the most that tend to cage you in  
**G#m Ebm E B**  
Until you make the same mistakes time and time again.

**C#**  
And everyone s making me promises that burn like city lights  
**Ebm** **B** **F#** **C#**  
But I d trade every single one of them for a starry night  
**Ebm** **B**  
Where my mind don t race like a spoiled child  
**F#** **C#**  
And I feel the warm wind blow  
**B** **G#m** **Ebm**  
Rolling down some dark highway
