Intro:

**A E Bm D (x2)**

**A E**  
Well I remember back when I was young  
**Bm D**  
And king of all my days  
**A E**  
How I never used to worry about a thing  
**Bm D**  
But time it turns the page  
**Bm F#m**  
Cause now my head is set to spin  
**G D**  
And my worries start where my worries end

Chorus:

**F#m D A**  
**E**  
And everyone s making me promises that burn like city lights  
**F#m D A E**  
But I d trade every single one of them for a starry night  
**F#m D**  
Where my mind don t race like a spoiled child  
**A E**  
And I feel the warm wind blow  
**D Bm F#m**  
Rolling down some dark highway  
**G D A E Bm D**  
Far far away from this big show.

**A E Bm D**

**A E Bm**

Well living everyday in this strange parade it gets under my skin  
**A E Bm**  
**D**  
It s always things you think you want the most that tend to cage you in  
**Bm F#m G D**  
Until you make the same mistakes time and time again.
