

Shes Like The Wind

Patrick Swayze

**C** **Em**  
She s like the wind through my tree,  
**C** **Em**  
she rides the night, next to me.  
**C** **Em**  
She leads me through moonlight, only to burn me with the sun.  
**C** **Em**  
She s taken my heart, but she doesn t know what she s done  
**Am** **Bm**  
Feel her breath on my face, her body close to me,  
**Am** **Bm** **D**  
can t look in her eyes, she s out of my league.  
**G** **D/F#** **Em** **Em/D** **C**  
Just a fool to believe I have anything she needs ?  
**C** **Em** **C** **Em**  
she s like the wind.  
**C** **Em**  
I look in the mirror and all I see,  
**C** **Em**  
is a young old man with only a dream.  
**C** **Em**  
Am I just fooling myself that she ll stop the pain,  
**C** **Em**  
Living without her, I d go insane  
**Am** **Bm**  
Feel her breath on my face, her body close to me,  
**Am** **Bm** **D**  
can t look in her eyes, she s out of my league.
