Lighthouse
Patrick Watson

```
Gm              Dm                    C
Leave a lighthouse in the wild,
Gm                    Dm              C
Cause I m coming in a little blind
Gm              Dm                  C
Dreamer of a lighthouse in the woods
Gm                 Dm                  C
Shining a little light to bring us back home

Gm            Dm                 C
When to find you in the backyard,
Gm           Dm             C
Hiding behind all, all busy lives
Gm              Dm                  C
Dreaming of a light house in the woods
Gm                Dm                 C
To help us get back into the world

Gm                         Dm              F
Cause I know I ve seen you before
Dm              Bb          A         F#m        G
Won t you shine a little light
                     Dm      G
On us now

G                             Dm
Won t you shine a little light
G                   Dm
In your own backyard
G                             Dm
Won t you shine a little light
G                      Dm
In your own backyard

Gm                    Dm                      C
Dreaming of a lighthouse in the woods
Gm              Dm                     C
Dreaming of a lighthouse in the woods
```
