

**Boy Like Me**  
**Patrick Wolf**

As there's no tab for that song so far, I tried my best to come up with an easy one.

Suggestions, corrections (esp. for the "solo") and comments highly appreciated!

I usually play the F's and G's as staccato as possible and strum the Em's loosely, but that's up to you, I guess.

For the intro:

```
e | --5--5--5--5^6--3---8p7h8- |  
B | ----- |  
G | ----- | (repeat)  
D | ----- |  
A | ----- |  
E | ----- |
```

**Em F Em G**  
**Em F Em G**

**Em F**  
A boy like me is told

**Em G**  
He is both nine and ninety

**Em**  
And a boy like me

**F Em**  
Should shut those books

**G**  
Join the army

**Em**  
And a boy like me

**F Em**  
Would never be seen

**G**

Fighting for peace

**Em**

I want total chaos

**F**

**Em**

**G**

And a holiday home in the east

```

e |-----
- |
B |-----5-----5--5-----5-----
- |
G |-----4-----4-----4--4-----4--
- |
D |---5---5---5---4-----5-----5^4-----5--5-----
- |
A |-----
- |
E |-----
- |

```

(play twice)

**Em**

And a boy like me

**F**

**Em**
