Bb Dm Gm F (2x)

As they

Bb

Dig your ditches

Dm

Count my stitches

Gm F

Generation justice wishes for

Bb

World at war

Dm

Final score

Gm F

Media come and abhor us

Bb Dm

These are hard times

Gm F

But weâ€™ll work harder, harder

Bb Dm

Give me hard times

Gm F

And Iâ€™ll work harder, harder

(Same as first verse)

Divided nation

In sedation

Overload of information

That we have grown

To ignoreâ€|

Mediocrity applauded

Through these hard times

Weâ€™ll work harder

Give me hard times

And Iâ€™ll work harder, harder

(Chorus)

Bb Gm F Bb Gm F

For revo lu tion

Show me some

Bb Gm F Bb

Reso lu tion

And this

Gm F

Battle will be won

(Same as other verses)

Forced to count the hours

Since two towers

Fell to fiction those higher powers

Putting gods to war

Who keeps score?

Ignorance is still adored

All through these hard times

Weâ€™ll work harder, harder

Give me hard times

And Iâ€™ll work harder harder

(Same as chorus, but quieter and more dramatic)

For revolution

Show me some revolution

(Then back to the normal progression)

This battle will be won

If they only see you with their fear

And they only hear you with their pride

Then work harder

Harder harder harder...harder

Hard Times

(End how you feel is the best way..but the last chord is Bb)
