

Teignmouth
Patrick Wolf

Verse:

Am **F**
On the Night train
 C **Em**
From the city to the south
Am **F**
I saw spirits
 C **Em**
Crawl across the river mouth
Am
In skewed ascension
F
with no destination
 C **Em**
like this lone batchelor in me
Am **F**
This constant yearning for great love and learning
 C **Em**
and the wind to carry me free

Chorus:

F **C** **Am** **G**
So when the birds fly south, reach up and hold their tails
F **C** **Am** **G**
Pull up and out of here and bridle the autumn gales
F **C** **Am** **G**
Down by the burning cliffs, by the unrelenting roll
F **C** **Am** **G** **Am**(into verse)
Marry the untold blessings and anchor this lost soul

etc.Verse 2 is the same chords, as is the second chorus
