Teignmouth Patrick Wolf Verse: Am F On the Night train С Em From the city to the south Am F I saw spirits Em C Crawl across the river mouth Am In skewed ascension F with no destination С Em like this lone batchelor in me Am F This constant yearning for great love and learning С \mathbf{Em} and the wind to carry me free Chorus: F С Am G So when the birds fly south, reach up and hold their tails Am F C G Pull up and out of here and bridle the autumn gales F C Am G Down by the burning cliffs, by the unrelenting roll **G Am**(into verse) F С Am Marry the untold blessings and anchor this lost soul

etc.Verse 2 is the same chords, as is the second chorus

Hope i ve helped someone!
