[Verse 1]

**G**                  **C**  
Your cheating heart will make you weep  
                  **D**                  **G**  
You ll cry and cry, and try to sleep  
                  **G**                  **C**  
But sleep won t come the whole night through  
                  **D**                  **G**  
Your cheating heart will tell on you

[Bridge 1]

**C**                  **G**  
When tears come down like falling rain  
                  **A**                  **D**  
You ll toss around and call my name

[Verse 2]

**G**                  **C**  
You ll walk the floor the way I do  
                  **D**                  **G**  
Your cheating heart will tell on you

[Bridge 2]

**C**                  **G**  
When tears come down like falling rain  
                  **A**                  **D**  
You ll toss around and call my name

[Verse 3]

**G**                  **C**  
You re gonna walk the floor the very way I do  
                  **D**          N.C.          **D G**  
Your cheating heart - is gonna tell on you
