

## Allegheny Moon

Patti Page

**A+**                **D**                                **D6**  
Allegheny moon, I need your light

**D**                    **Dm7**                **D6**        **Cdim**    **Em**  
To help me find romance tonight, so shine, shine, shine.

**A7**                                **Edim**  
Allegheny moon, your sliver beams

**Em6**                    **Em6**                **A7**        **A7+**    **D**  
Can lead the way to golden dreams, so shine, shine, shine.

**A+**                                **D**                                **D6**  
High among the stars so bright above,

**D**                    **Dm7 (A7)**        **D**    **D+**        **G**    **G/F#**    **Em**  
The magic of your lamp of love can make her mine;

**B7**                    **Em**                                **Gdim**                **D**                **(D7)**        **B7**  
Allegheny moon, it s up to you; please see what you can do

**A7+** **Em**                                **A9**                **A7**    **D**    **Fdim**    **Em7**    **A+**  
For me and for my one and only love.

(Last time)

**A7+** **Em**                                **A9**                **A7**    **D**    **Bm**    **G**    **Gdim**    **D**  
For me and for my one and only love.
