

Baby Dont

Patti Scialfa

CAPO 2ND FRET

A **E** **D**
Baby don t put the sugar on me
 E
Don t talk me up so sweet
 A **E** **D**
Baby don t dress me in your kisses
 E **D**
When they re not mine to keep
 E **A**
Some boys think I m carved out of stone
 D
Guess they re not so smart
 E **A**
 Cause just a few kind words from you
 D
And I fall apart
 A **E**
Oh yes I do I fall apart
 A
So baby don t
 E **D**
Come around here tossing matches
 E
Oh no don t you tempt
 A
No baby don t
 E **D**
Make me steal a little happiness
 E **D**
At anyone s expense
 E **A**
Do you think that I am carved out of stone
 D
Now don t you go get smart
 E **A**
 Cause just a few kind words from you
 D
And I fall apart
 A **E**
Oh yes I do I fall apart
D **E**
You better stop this little drama
 Bm **D**
Better drop the curtain around it
 E **Bm**

You may not be looking for trouble but boy

D

E

You sure have found it (you found it) you found it

A

So baby don t

E

D

Go giving me the green light

E

Oh no don t you do that

A

No baby don t

E

D

Cause that ring around your finger

E

This time won t hold me back

D

E

A

I could pretend that I am carved out of stone

D

So we never start

E

A
