

Frederick  
Patti Smith

It s really easy, the whole song goes like this: | **A** | **E** | **C#m** | **Dmaj7** |

**A**            **E** **C#m**                            **Dmaj7**

Hi hello wake from thy sleep

**A**                            **E**                            **C#m**            **Dmaj7**

God has given your soul to keep

**A**                            **E**                            **C#m**    **Dmaj7**

all of the power that burns in the flame

**A**                            **E**                            **C#m**            **Dmaj7**

ignites the light in a single name
