Am C Dm F
Pissing in a river, watching it rise

Am C Dm F
Tattoo fingers shy away from me

Am C Dm F
Voices voices mesmerize

Am C Dm F
Voices voices beckoning sea

Am C Dm F Am
Come come come come back come back

C Dm F
Come back come back come back

Spoke of a wheel, tip of a spoon
Mouth of a cave, I m a slave I m free.
When are you coming ? Hope you come soon
Fingers, fingers encircling thee
Come come come come come come
Come come come come come come for me oh

Am C Dm F
My bowels are empty, excreting your soul

Am C Dm F
What more can I give you ? Baby I don t know

Am C Dm F
What more can I give you to make this thing grow?

Am C Dm F
Don t turn your back now, I m talking to you

>>Strummed Agressively
Should I pursue a path so twisted ?
Should I crawl defeated and gifted ?
Should I go the length of a river
[The royal, the throne, the cry me a river]
Everything I ve done, I ve done for you
Oh I give my life for you.

Every move I made I move to you,
And I came like a magnet for you now.

What about it, you re gonna leave me,
What about it, you don t need me,
What about it, I can t live without you,
What about it, I never doubted you
What about it ? What about it ?
What about it ? What about it ?

Should I pursue a path so twisted ?
Should I crawl defeated and gifted ?
Should I go the length of a river,
[The royal, the throne, the cry me a river]
What about it, what about it, what about it ?
Oh, I m pissing in a river.
