Patti Smith

B
Late afternoon, dreaming hotel
E **B**
We just had the quarrel that sent you away.
F# **E** **B**
I was looking for you, are you gone gone ?
B
Called you on the phone, another dimension.
E **B**
Well, you never returned, oh you know what I mean.
F# **E** **B**
I went looking for you, are you gone, gone ?
E **F#**
Down by the ocean it was so dismal,
E **F#**
Women all standing with a shock on their faces.
E **F#** **B**
Sad description, oh I was looking for you.
