Dig if you will the picture, Of you and I engaged in a kiss
Am G
The sweat of your body covers me
G Am
Can you my darling, Can you picture this?
Am G
Dig if you will a courtyard
G Am
An ocean of violets so blue
Am G
Animals strike curious poses
G Am
They feel the heat, the heat between me and you

Am G
How can you just leave me standing?
G Am
Alone in a world so cold ?
Am G
Maybe Iâ€™m just too demanding
G Am
Maybe Iâ€™m just like my father too bold
Am G
Maybe Iâ€™m just like my mother
G Am
Sheâ€™s never satisfied
Am G
Why must we scream at each other
G F
This is what it sounds like , When doves cry

Touch if you will my belly
