Cadd9 **G**
So think before you criticize

Cadd9 **G**
Ten million miles

G
Traveled round from place to place

Cadd9 **G**
Wore some rags around my waist

Cadd9 **G**
And other times a dress of lace

Cadd9 **G**
And always searched for your sweet face

Cadd9 **G**
You ought to come some time for tea

Cadd9 **G**
And maybe we could see the sea

Cadd9 **G**
Talk a lot or let things be

Cadd9 **G**
Or just enjoy the mystery

G
Must ve walked ten million miles

Cadd9 **G**
Must ve walked ten million miles

Cadd9 **G**
Wore some shoes that weren t my style

Cadd9 **G**
Fell into the rank and file

Cadd9 **G**
So just say I was here a while

Cadd9 **G**
A fool in search of your sweet smile

Cadd9 **G**
Ten million miles
