

Blue Sky

Patty Griffin

(barre chords)G A G A G A

G A G A
The farther I come the farther I fall
G A G A
Whatever I knew it was nothing at all
G A G A
Nothing at all, just making me small
G A
Smaller and smaller
G A
I fall back

G A G A
Sooner or later with a view from the ground
G A G A
Chasing the race and the races run you down
G A G A
Sooner or later with a view from the ground
G A
And a tear in your eye
G A D
You say baby why can't we fly
A G
Into the blue sky
A D
High

A G A G A G A
Into the blue sky

G A
Be my singing lesson
G A
Be my song
G A
When I tell you I m falling
G A
You tell me I m strong
G A
You say trees have grown tall
G A
birds have flown high
G A
Higher and higher
G A
Goodbye goodbye goodbye

G A
I ll fly over a rainbow
G A
I ll be sun kissed
G A G A
Sail around the planet Venus

G A
And send a long letter

G A
Way back home

G A
That says all that I know

G A D A G
All that I know is the blue sky

A D A G A
High in the blue sky

(elect. guitar solo)

G A G A G A G A G A G A G A

D A G A D

In the blue sky

A G A G A
The blue Sky....

G A G A
The farther I come the farther I fall

G A G A
Whatever I knew it was nothing at all

G A G A
Trees have grown tall, birds have flown high

G A
Higher and higher

G A G A G A G A (KEEP GING &
FADE)

Goodbye, goodbye, goodbye, goodbye, goodbye.....
