

Calling Me Home  
Patty Griffin

CAPO 5

INTRO: G C G

VERSE:

G C G  
Mama, I hear you calling tonight  
G C G  
Your old song, calling me in for the night  
G C G  
In the tall grass, down from the trees where I've climbed  
G C G  
The day is gone, the birds sing their last songs in the pines  
C Am  
I hear your voice calling by the back door light  
G C Em  
It reaches as far as I roam  
C G/F# G  
It's calling me all the way home

VERSE:

G C G  
Mama, the darkness is falling so fast  
G C G  
Somehow, I thought the day would always last  
G C G  
And I am afraid as I walk alone in the night  
G C G  
Following the sound of your voice by the light  
C Am  
Your sweet voice is calling by the back door light  
G C Em  
It reaches as far as I roam  
C G/F# Em  
It's calling me all the way home  
C G/F# Em  
It's calling me all the way home  
C G/F# G  
Calling me all the way home

TAG:
