Occured to me the other day, you've been gone now a couple years

G D Bm A G

Well, I guess it takes a while for someone to really disappear

D G D Bm A

I remember where I was when the word came about you

G D Bm A G

It was a day much like today, the sky was bright and wide and blue

G D G A

And I wonder where you are, and if the pain ends when you die

G Bm A G A

And I wonder if there was some better way to say goodbye

Today my heart is big and sore, it's trying to push right through my skin

I won't see you anymore, I guess that's finally sinking in

Cause you can't make somebody see by the simple words you say

All their beauty from within, sometimes they just look away

And I wonder where you are, and if the pain ends when you die

And I wonder if there was some better way to say goodbye

G A G A G A

Some better way to say goodbye - y - y - y - y - y - y - y - y - ye
