Tonight I sing soft and low, just like the moon over the snow

G C/G G Dsus2
I hear icicles falling in the dark, in the dark

G D C Cm
We re just like anyone else, we just want a little bit of sun for ourselves

G C/G
And a little bit of rain, to make it all grow

G C D G
Maybe a minute or two to get lost in the glow of love

C/G G C/G G
There s always someone throwing matches around, waving the shiny new knife

C/G G Dsus2

The first to run when the house burns down, I ve seen it every day of my li -
ife

C/G G C Cm
I must confess there appears to be way more darkness than light

G C/G G

I wanna fall like a pearl to the bottom of the sea where no one will find us
tonight

Tonight it might look pretty bad, we might lose everything we thought that we
had

G **C/G** **G** **C/G**
But shadows will pass, smoke it will clear, if something survives of us around
here

G **C** **D** **G** **D** **C** **Cm** **G**
I ll be glad cause I know I was lost in the glow of love
