

## Rain

Patty Griffin

For the first verse you probably are going to want to pick it and then start strumming the chorus starts. This is my first tab ever so feel free to give me your input. Hope is helpful.

      G      A      Bm      A
It s hard to listen to a hard hard heart
      G      A      Bm A
Beating close to mine
      G      A      Bm      A
Pounding up against the stone and steel
      G      A
Walls that I won t climb
      G      A      Bm      A
Sometimes a hurt is so deep deep deep
      G      A      Bm A
You think that you re gonna drown
      G      A      Bm      A
Sometimes all I can do is weep weep weep
      G      A
With all this rain falling down
```

```
      Bm      A      G      D
Strange how hard it rains now
      Bm      A      G      D
Rows and rows of big dark clouds
      Bm      A      G      D
But I m holding on underneath this shroud

Raaaaain
