Cadd9: x32033
Em: x22000
C: x32010
D: xx0232

Intro: **G** **Cadd9** x 2

G **Cadd9**
Well this party s turned a corner

G **Cadd9**
Every room is in disorder

Em **C** **G**
Now the nightingale won t sing for us
D

We scared her away

G **Cadd9**
Well you asked me a question

G **Cadd9**
And didn t wait to hear the answer

Em **C**
Your eyes were following the dancer

G **D**
Falling down a flight of stairs

C **G** (C) **G**
Every strand has come unwound

C **G** (C) **G**
Every heart is all worn down

Em **C** **G**
Everyone in the room wanted to be

D

Somewhere else

G

Cadd9

So tonight I ll find the key

G

Cadd9

And drive away a little early

Em

C

D

C

It s the last time I wanna be

G

Cadd9

G

Cadd9

That kind of lonely

G

Cadd9

There s a scar below your left eye

G

Cadd9

Fades away as you get older

Em

C

It isn t like you never told her

G

D

What kind of man you really are

G

Cadd9

I don t know why it s so surprising

G

Cadd9

Now the sun is almost rising

Em

C

Yes it s early in the morning

G

D

And the moon s still standing tall

C

G (C) G

Every strand has come unwound

C

G (C) G

Every heart is all worn down

Em

C

G

Everyone in the room wanted to be

D

Somewhere else

G

Cadd9

So tonight I ll find the key

G

Cadd9

And drive away a little early

Em

C

D

C

It s the last time I wanna be

Em

That kind of lonely

C

That kind of lonely

Em

That kind of lonely

C

That kind of lonely

Em

That kind of lonely

C

That kind of lonely

Em

That kind of lonely

C

That kind of lonely

D

Lonely

Em

Lonely
