Intro: C G Em C

C G

God is a wild old dog

Em C

Someone left out on the highway

G

I seen him running by me

D (

He don t belong to no one now

C G

We dropped him out on 93

D (

Mange was setting in on his hips and on his knees

G

Between the highways running north and south

ם כי

We pulled on over and we put him out

(

Willie said he was old and going blind

D C

Momma told me how she didn t mind

G

```
When Willie kicked him with his shoe
 He just climbed on in just like he knew
C
 God is a wild old dog
 Someone left out on the highway
 I seen him running by me
He don t belong to no one now
C
 It s lonely on the highway
 Sometimes a heart can turn to dust
 Get whittled down to nothing
                  \mathbf{Em}
 Broken down and crushed
              C
 In with the bones of
 Wild old dogs
 Wild old dogs
 C
        G
                      C
              Em
 C
        G
              D
                      C
 We dropped him out on 93
 Tall grass was waving there just like the sea
 He tore off running like we d set him free
 Just disappeared right in front of me
 God is a wild old dog
 Someone left out on the highway
 I seen him running by me
             D
                             C
```

G C G C G

End on ${\bf G}$
